Dear Parents/Guardians,

I hope you are keeping well.

I just need to make you aware that there has been a case of COVID 19 associated with the school. A risk assessment has been carried out by the Department of Public Health and they have advised that there is no risk to anyone in the school.

No action is required as the person did not attend school during the infectious period, thanks to the vigilance of the school community.

We recommend that over the next few weeks, if you have any concerns about your child or if they exhibit any symptoms of COVID - a cough, fever, loss or change in sense of taste or smell - that you do not send them to school, that you contact your GP and follow their advice.

Further information on COVID is available on <https://www2.hse.ie/coronavirus/>

We will continue to follow and adhere to our protocols and procedures as per the DES and HSE Guidance.

Thank you for your support and cooperation
