Dear Parents / Guardians,

We hope you are all doing well under these very challenging circumstances. The current situation must be very difficult for you and your family. If we can be of any assistance please contact us by email: [info@stthomas.ie](mailto:info@stthomas.ie)

We know that it is not always possible for children to have access to a computer or device with internet access for online learning. We have posted work packs to every child in the school which we hope will be useful in providing some routine for the children. All work provided (either hard copy or online) are only suggestions and you can decide how much of the work you want your child to do. We hope that all the work we provide will be of benefit to the children.

We are setting up a system whereby you will be able to contact your child's teacher directly if you would like to do so. An email address will be set up for teachers at which they can be contacted by you for the duration of the school closure. This email address will be sent to you by text over the next few days.

Please be patient with us as this is a whole new experience for us all. Like you, many of our teachers are also caring for their own children and / or elderly parents. It is a real worry that any of us could get sick at any stage.

Take care, stay safe and well.

Eithne O Shea

(On behalf of Staff and Board of Management)
